LDA Topics

Topic 1

human computer interaction
designing interactive systems
chi conference human
conference human factor
human factor computing
factor computing systems
arxiv preprint arxiv
sigchi conference human
factor computing system

Topic 2

on immersive computing
conference human factor
factor computing systems
chi association computing
computing machinery new
machinery new york
new york usa
association computing machinery
chi conference human
york usa article

Topic 3

conference human factor
association computing machinery
april hamburg germany
human factor computing
computing systems chi
new york usa
entoptic field camera
chi april hamburg
systems chi association
interactive systems conference

Topic 4

meme creator ownership
figure figure figure
york usa association
social medium platform
life abstract holographic
jul online available
access jul online
usa association computing
among big pine
international journal design

Topic 5

big pine tree
issn doi url
recurrent neural network
international conference computational
doi url page
conference computational creativity
motion capture datum
virtual event usa
plunge among big
pine tree trail

Topic 6

journal creative behavior
ativestivele arriaga paiva
international conference humanrobot
creativity research journal
boost creativity robots
research journal doi
creativity robots figure
conference humanrobot interaction
arriaga paiva hoffman
turrance test creative

Topic 7

figure infinite guide
discursive design strategy
perlocutionary effect conversational
human machine communication
accessed march available
relational thing talk
access march available
effect conversational system
cambridge mit press
dis june virtual

Topic 8

art design technology
series cultural computing
cscw november taipei
include chapter creative
creative commons license
november taipei twn
chapter creative commons
springer series cultural
creativity art design
term creative common

Topic 9

future scenario generate
dsii psiia psiib
idea cogeneration dsii
psiv testing dsiv
prototype design psiv
design psiv testing
design fiction scenario
cogeneration dsii psiia
psiia psiib psiii
appendix online questionnaire

Topic 10

care generative deep
speculative design case
human breathing waveform
participatory speculative design
generative deep learning
respiratory care expert
deep generative model
design case study
respiratory care generative
breathe waveform generate
